City of Monterey Park Offering Pet License Amnesty Period

Monterey Park, Calif. - July 14, 2022 - Monterey Park residents who renew or apply for pet licenses will have late fees waived from August to October 2022.

In order to provide an opportunity for pet owners to economically renew their pet licenses, the [County of Los Angeles Department of Animal Care and Control](#), in conjunction with the City of Monterey Park, is waiving late fees for renewed or new pet licenses purchased between August 1, 2022 and October 31, 2022. All dogs and cats in the City of Monterey Park must be licensed, microchipped and vaccinated. Failure to vaccinate or license a dog or cat may result in fines or penalties. Pets must be vaccinated each year or every three years with an approved three-year vaccine. Reduced license fees are provided for spayed and neutered pets.
