

# PAPER PLATE RAINBOW

## TAKE AND MAKE

### Materials:

- 1/2 paper plate
- construction paper- red, orange, yellow, green, blue and purple
- glue stick
- 6 cotton balls

### Directions:

- Tear each piece of colored construction paper into squares.
- With the straight edge of the plate facing you, glue the red pieces of paper to the top edge of the plate.
- Repeat with the orange, yellow, green, blue and purple pieces of paper.
- Glue three cotton balls to each end of the rainbow.
