CRINKLE CROWN

TAKE AND MAKE

Materials:

- 1 piece of decorative border
- glue dot
- various decorations
- glue
- cotton swab (for glue)

Directions:

- Wrap the decorative border around your head to size it. Leaving a small overlap for the glue dot, cut the border so that it will fit your head.
- Glue decorations to the crown using the glue in the glue cup. Let it dry.
- Attach the two sides together with a glue dot. Your crown is complete!
