

# BUTTERFLY

## TAKE AND MAKE

### Materials:

- Butterfly wings and body templates
- Colored paper
- Pipe cleaners
- Googly eyes
- Glue
- Scissors
- Tape - optional

### Directions:

- Cut out the butterfly wings.
- Cut out four strips on the butterfly body template and save the leftover paper.
- To make the body of the butterfly, roll each strip into a cylindrical shape and glue the ends of the strip together.
- Glue the body pieces to the center of the butterfly wings.
- Glue or tape the pipe cleaners to the back, top center of the wings then curl the ends of the pipe cleaners to make antennae.
- Stick the googly eyes on your butterfly.
- You can use a pen or marker to draw a mouth for your butterfly.
- Use the colored paper and the leftover paper from the body to draw and cut out different size circles.
- Use the circles to decorate your butterfly wings and you're done!
