Monterey Park Police: Celebrate Cinco de Mayo Responsibly...“Buzzed Driving Is Drunk Driving”

Monterey Park, Calif. – May 1, 2018 - In the United States, the Cinco de Mayo holiday is often associated with parties and alcohol. If you're celebrating with friends and family this weekend, remember that at the end of the night, you need to have a safe and sober ride home. Police, sheriff and the CHP will be out in force looking for the telltale signs of impaired driving this weekend.

In the rush to prepare for a night out, it's easy to forget the most important Cinco de Mayo plan of all: designating a sober driver. Some may think they can play it by ear and wait until after the party has started to decide whether they're okay to drive. By this point, it's too late. Going out for a night of drinking without a plan for getting home safely is a recipe for disaster.

The [Monterey Park Police Department](#) will conduct a DUI Drivers License Checkpoint in an area with a history of DUI arrests and DUI crashes during the hours of 7:00 PM and 3:00 AM.

In recent years, California has seen an increase in drug-impaired driving crashes. The Monterey Park Police Department supports the new effort from the [Office of Traffic Safety](#) (OTS) that aims to educate all drivers that “DUI Doesn't Just Mean Booze.” If you take prescription drugs, particularly those with a driving or operating machinery warning on the label, you might be impaired enough to get a DUI. Marijuana use is impairing, especially in combination with alcohol or other drugs, and can result in a DUI.

Remember: “Buzzed Driving Is Drunk Driving,” and when you drive impaired, you run the risk of killing yourself or someone else. You will be looking at jail time, the loss of your driver's license, higher insurance rates, and dozens of other unanticipated expenses ranging from attorney fees, court costs, car or motorcycle towing and repairs, and lost wages due to time off from work. The average DUI costs about \$10,000. Wouldn't you rather pay for a ride home?

There are many other ways to ensure a safe ride home besides relying on a friend. The [OTS DDVIP app](#) is now available for free download on iOS and Android devices. The app offers enhanced features, allowing users to search all participating bars and restaurants throughout California. Additionally, app users can easily order a sober ride from Uber or Lyft.

Drunk driving is claiming too many lives. On average in 2016, someone was killed in a drunk-driving crash every 50 minutes. On Cinco de Mayo weekend, that equaled 51 lives lost in drunk-driving crashes in the nation. So if you choose to drink this Cinco de Mayo, make sure you have a designated sober driver or have arranged another safe way home. Decide today that you won't ever drive after drinking or impaired by drugs. If you know someone who is about to drive buzzed or high, step in and help. Take their keys and help them make arrangements to get home safely.
