<u>EMERGENCY RESPONDER RADIO SYSTEM</u> <u>CONTRACTORS</u> (also referred to as Distributed Antenna Systems ('DAS'))

The following list of emergency responder radio system, or DAS, contractors is provided as a convenience and is not to be considered an endorsement or a complete list.

Contractors must be licensed electrical contractors by the Contractors State License Board of the State of California, and be FCC-licensed.

Please visit the Contractors State License Board at www.cslb.ca.gov (or call 800-321-CSLB) for important consumer information before hiring a contractor, to verify contractor's licenses, and for questions or complaints.

The applicable provisions in the State of California to these systems can be found in California Fire Code section 510; available on the internet at:
