

NOTICE OF MEASURE

Notice is hereby given that the following measure is to be voted on at the Special and General municipal elections to be held in the City of Monterey Park, on Tuesday, November 8, 2022.

Measure MP:

Shall an ordinance maintaining Monterey Park's long term financial stability and locally controlled services such as 9-1-1 emergency/safety response; conducting neighborhood/park police patrols; helping prevent thefts/property crimes; protecting local drinking water; preparing for drought; retaining/attracting local businesses/jobs; repairing streets/potholes; addressing homelessness; and allowing other government use by establishing a $\frac{3}{4}\%$ transactions and use (sales) tax until ended by voters, generating approximately \$6,000,000 annually, with audits/public spending disclosure, be adopted?	YES
	NO

This is a proposition placed on the November 8, 2022 ballot by the Monterey Park City Council. If adopted by a majority of the voters, the proposition would add a new chapter to the Monterey Park Municipal Code ("MPMC") which would impose a .75% (or $\frac{3}{4}$ cent) sales tax for the City to reach the maximum tax rate of 10.25%. If the sales tax proposed by Measure MP is collected, all revenue would benefit the City of Monterey Park. Public documents project that this tax would result in approximately \$6,000,000 of additional annual revenue. Only voters could terminate this tax.
