

NOTICE OF ELECTION

NOTICE IS HEREBY GIVEN that a Special Municipal Election will be held in the City of Monterey Park on Tuesday, June 2, 2026, for the following measure:

Measure NDC (at-large)

Prohibiting Data Centers in Monterey Park Shall the ordinance amending the City of Monterey Park General Plan to prohibit data centers citywide to protect air quality, drinking water resources and public health; prevent impacts to electricity and water rates; with the prohibition of data centers continuing until ended by voters, be adopted?	YES
	NO

On March 4, 2026, the City Council unanimously added a proposition to the ballot for the June 2, 2026 election. If adopted by voters, the measure would amend the Monterey Park Land Use and Urban Design Element (adopted by Ordinance No. 2198 and approved by voters as Measure JJ on November 3, 2020) to add a citywide prohibition on data centers. For purposes of the prohibition, a "data center" is defined as a building, dedicated space within a building, or group of structures used to house a large group of networked computer systems for data storage and processing for off-site and on-site users, including remote storage, processing, or distribution of large amounts of data.

Election Day. Vote centers are open from 7 a.m. to 8 p.m.

Maychelle Yee, City Clerk
